

# Rediscover the Magic: Your Disney Adventures Await!

## MAGICAL MEMORIES

Scene 1

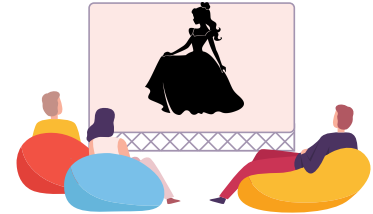

A young adult is seen rummaging through a dusty old attic, surrounded by nostalgic items like toys, books, and a vintage Disney poster.

Scene 2

Close-up of the young adult discovering a worn-out childhood Disney character plush toy getting emotional.

Scene 3

Flashbacks to the young adult's childhood: They're shown as a child, watching Disney movies with siblings.

Scene 4

Them as a child in bed as their parents read them Disney books

Scene 5

Child visiting Disney parks and meeting new friends from different backgrounds (Europe, Middle east, Africa) at different locations.

Scene 6

Emotional moments of laughter, awe, and wonder as the child experiences Disney magic.

# Rediscover the Magic: Your Disney Adventures Await!

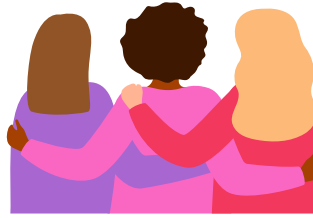

**GROWING UP, BUT NOT APART**

Scene 7

**Transition to the present: The young adult is seen reconnecting with childhood friends (now also young adults) who shared those Disney experiences.**

Scene 8

**Warm embraces, laughter, and shared memories highlight their enduring friendship.**

Scene 9

**Suddenly a young child bursts in the room holding the same toy the young adult had in the first scene.**

Scene 10

**They ask, "Mommy, what is this?"**

Scene 11

**The friends look around confused because the child doesn't know then burst out laughing.**

Scene 12

**The mother begins by saying "Let me tell you about the happiest place on Earth..." The friends join in excitedly explaining as the audio fades behind music.**

## THE JOURNEY BEGINS

Scene 13

The group of friends decides to go on a Disney adventure together, symbolizing the continuation of their magical journey.

Scene 14

The friends arrive at a Disney park or resort, and their faces light up with nostalgia as they revisit iconic Disney landmarks.

Scene 15

Shots of them riding classic attractions, enjoying parades, and indulging in Disney treats with the child.

Scene 16

The group gathers to watch a Disney fireworks show, mirroring the awe they felt as children with close up shots of their tearful, yet joyful expressions .

Scene 17

Cuts to child looking up in wonderment

Scene 18

Fades to the initial young adult as a child looking up in wonderment years ago as well
